Part One / SSV Sportwagon Redline

Australia has three kinds of car fans, Holden, Ford and the rest.

When we were given the chance to get behind the wheel of the latest range of Holden's we jumped at the chance.

It had been a while for some of us since we were last acquainted with Holden's offering and this was a good opportunity to see what the current line up of cars had to offer.

Holden Calais V Series Sportwagon

Graphics & Animation

Our shows opening tile features the awesome artwork of [3Deuce Speedshop](#) . Please check out their fantastic [website](#) and support them as have been kind enough to allow us to use their artwork in our show.

These wonderful images were brought to life by the animation talents of Mike Wright.
