Episode Twenty Six / Air Combat Centre

In this episode Jason tries to relive his fluke 737 landing at the Air Combat Centre.

The guys down at the Air Combat Centre invited him along but this time they had an F18 for him to pilot.

Air Combat Centre

Wondered what it is like to fly at 600kts, low level strapped into a rocket? Well, now is your chance to experience the exhilaration of a fighter jet simulator, strap into your ejection seat and go into full afterburner! These fighter simulators are used in fighter pilot skills testing.

You be the fighter pilot "A TOP GUN" fighter pilot in a military fight jet simulator the F/A-18 hornet. TOP FUN is what you'll experience in a unique fighter jet thrill at the Air Combat Centre F/A-18 Hornet simulator. Air to Air Combat, Air to Ground bombing runs or try and land this 40,000lbs fighting machine on an aircraft carrier!

After your briefing, you'll climb aboard your F/A-18 Hornet simulator. Your Air Combat Centre experience allows YOU to be the pilot of one of the fastest, most powerful jet fighters to fly in the military today. You'll be in communications throughout your mission with your Air Combat Instructor. We'll give you all the support you need to make your mission experience a bull's-eye success jet like in the movie top gun!
