Episode Twenty Eight / Isuzu D-Max

In this episode Jason gets behind the wheel of the all new D-Max.

Jason has always been a big fan of the 4x4 crew cab ute so it was easy to decide who got to do this review.

Isuzu D-Max

As the top of the range D-MAX, the 4x4 LSU Crew Cab has all the style and equipment you could ever want. With premium features including 17" alloy wheels, side steps, chrome finished styling and a plush carpeted interior as standard, it's as comfortable as it is capable. With the tough 4x4 drive train, you can have it all and take it anywhere.

If you are interested in checking out the moto park make sure you check out their website below.
