Episode Thirty Three / Hyundai SantaFe

Neutral is back for a fourth year and the adventures continue. We have another big line up in 2013 / 2014.

In this the first episode of series 4 and the 33rd in the series Jason heads out on the open road on the longest Neutral road test yet.

Thanks to Hyundai he got behind the wheel of the new Hyundai SantaFe and drove from Brisbane to Sydney.

The All New Santa Fe is a spacious, comfortable and powerful SUV that's been designed for the way you and your family live.

The Hyundai Santa Fe is Award Winning

Australia's Best SUV Over \$40,000 - Santa Fe R Series Elite. It looks stunning in the city, but built tough for family adventures. It has enough power for the extreme, yet it is efficient for the outdoors. The SantaFe is built to achieve 5* ANCAP safety rating.
